**Class Cancellation Policies for USA Classes**

**Company Cancellations:**

Arcturus Star Products LLP reserves the right to cancel a class due to lack of minimum participants or in an emergency situation with the instructor. We will do our best NOT to cancel a class.

In the case of a Company-Generated cancellation, class fees that are paid for will be applied to the next available class at that location, or any of the same class at another US location, within a 12 month time frame from the "original class starting date." Any cost changes in the class during those 12 months sees will not apply, if the Company cancels the class.

*Note: Tuition Payments cannot be applied to international classes.*

**Student Refund Cancellation Policy:** If you cannot attend the class that you have paid for, you may apply the payment of fees to another class at that location, or any of the same class at another US location, in the following 12 months past the "original class starting date." *The student is responsible to pay fee differences for any increased changes in class fees over time, if they cancel.*

*Please let the company know that you are cancelling in a timely manner, so that others who are waiting can attend. Thank you!*

*Note: Tuition Payments cannot be applied to international classes.*

**Refunds: Refunds on Fees Paid. Refunds Of Tuition Fees will be assessed a 25% fee to cover administration time and credit card fees. We thank you for your cooperation!**

**Hotels and Air Travelers:**

*Arcturus Star Products is not liable for costs related to cancellations of classes.*

*Please check with your airlines to make sure you know the change fees or costs or if can change the dates on your tickets and hotels. "Expedia" has been a problem for some students in that, once you book a hotel through them; you may not be able to get a refund. We recommend booking directly with a hotel and even direct with airlines.*
